NOVATECH BRAND GOVERNANCE AND COMPLIANCE MANUAL 2026
DOCUMENT SPECIFICATION: ENTERPRISE GLOBAL EDITION

SECTION 1: BRAND IDENTITY AND TONE OF VOICE
Our brand voice is professional, empowering, collaborative, and grounded in engineering rigor.
- Rule TV-01: Communicate with clarity and empathy. Avoid condescending, combative, or aggressive language.
- Rule TV-02: Never use high-pressure sales gimmicks or create artificial scarcity in any campaign.
- Rule TV-03: Use active voice and concise phrasing. Prioritize customer empowerment over corporate hype.

SECTION 2: PROHIBITED CLAIMS AND RESTRICTED VOCABULARY
The following terms and claim patterns are strictly forbidden across all public marketing channels:
- Rule PC-01: Prohibited term: 'cheap'. Use 'cost-effective' or 'competitively priced' instead.
- Rule PC-02: Prohibited term: '100% bug-free'. No software is bug-free. Use 'rigorously tested and stable'.
- Rule PC-03: Prohibited term: 'guaranteed 100% uptime'. Our certified SLA is 99.9%, never 100%.
- Rule PC-04: Prohibited term: 'miracle fix'. Avoid sensationalist promises. Use 'comprehensive workflow solution'.
- Rule PC-05: Prohibited phrase: 'crush the competition'. Combative framing violates our collaborative positioning.
- Rule PC-06: Prohibited term: 'unlimited forever'. Do not make uncapped perpetual licensing commitments.
- Rule PC-07: Prohibited term: 'military-grade'. Vague security hyperbole is disallowed by compliance boards.

SECTION 3: APPROVED FACTS AND VERIFIED CLAIMS
Only the following certified claims may be published without additional legal review:
